Facial Rejuvenation

When the environment has taken its toll on your skin & you're ready to invest in yourself. Includes 2 fractional nonablative laser resurfacing treatments at 6-week intervals to even skin tone, stimulate collagen growth & diminish fine lines & wrinkles. Then follow up with a ViDerm Peel to leave your skin glowing & soft. Maintain your fabulous new look with Colorescience Pro pure mineral primer, powder sunscreen & a refreshing aromatherapy spritzer.

A \$1900 value **\$1200**

Wrinkles be Gone

Tame those telltale signs of aging in your face & neck. The DeepIR laser gently promotes skin tightening & new collagen production with infrared light. 4 treatments at 4-week intervals give you a renewed youthful look. Maintain that smooth skin with ViDerm Advanced Firming Lotion at night. Ultra A cream with AHA & Retinol in the morning helps promote improved cell turnover to keep your skin fresh. Finish with Colorescience Pro pure mineral primer, powder sunscreen & refreshing aromatherapy spritzer.

A \$3500 value **\$2500**

In Depth Scar & Stretch Mark Therapy

Troublesome scars & stretch marks are no longer forever. Improvements from 50-80% can be yours! We use alternating laser therapies, both the fractional nonablative 1540 laser & the DeepIR infrared laser, to stimulate deep collagen growth & cell turnover. 6 treatments at 4-week intervals will leave your skin smoother, more supple & more evenly textured.

A \$7800 value **\$4000**

Turn Back the Clock Facial Treatment

Don't have weeks for recovery or prefer faster results? Try our terrific combo therapy - a nonablative photofacial evens skin tone, decreases irregular skin pigment & lightens fine lines. Follow that in 2 weeks with a ViDerm Peel to leave your skin glowing & dewy fresh. Our pure mineral Colorescience Pro Primer, eye serum & PepUp pen will keep you looking refreshed, while powder sunscreen protects your new look!
